Love To Chase (Shadowpeak Wolves) Lorna Jean Roberts

Loving Laney The absolute last thing Laney wants or needs is an Alpha werewolf. She fled a life of abuse and neglect at the hands of one, so there's no way she's interested in letting another into her life. Not even a sinfully gorgeous specimen. Uh-uh, not interested, not in this lifetime... Then she meets Cooper Brady—and the man is delicious. Good sense is overwhelmed by the need to touch him, taste him, and perhaps a night of hot, melt-in-your-mouth sex is just what she needs. It's just a one-night stand after all, no strings attached, no messy goodbyes. Perfect. Well, it would have been if he wasn't her mate. Mated life has its upsides, like sizzling, addictive, overwhelming sex—yummm. But lust can't help her convince Cooper not to wrap her in cotton wool, it can't help her tame or avoid bitchy packmates and it definitely can't help her figure out who's trying to scare her with nightmares from her past. But hey, it sure does help. Chasing Cassie Book two in the Shadowpeak Wolves series. Cassie Callington has finally met a man who makes her insides quiver, her heartbeat race and her body sizzle. And he barely even knows she's alive. An enforcer for the Shadowpeak pack, Jay Chance is ripped, sexy, a complete and utter hunk. He's also out of her league and chasing after another woman. Still, there's no rule that says she can't look, right? Except one night she finds herself doing more than looking, she's touching, tasting, licking...yum. But it was never meant to be. He's a werewolf and attracted to someone else. She's a human and on the next bus out of town. Nope, it would never work. But Jay sees things differently, and comes after her, using some very sensual techniques to persuade her to see things his way. And to taste them his way, and to touch... A Romantica® erotic romance from Ellora's Cave
