Matter Moments. Transformed. Ms Dani Mai

"Matter Moments" to me, are critical times in our lives, which happen beyond our understanding. We can't fathom during their midst, but their purpose is eventually revealed. Some will see it, and some won't. If an opportunity presented itself, make a call to action on your matter moments and transform them into meaningful moments. If not, missed opportunities for your matter moments will then be nothing more, but a forgotten memory. You have two choices in life; when given lemons, you can either huff and puff, or make lemonade and smile. The choice is yours.
