## **Divine** Karen Kingsbury

Mary Madison is educated and redeemed, a powerful voice in Washington, D.C. But she also has a past that shamed polite society. A survivor of unspeakable horror, Mary has battled paralyzing fear, faithlessness, addiction, and promiscuity. Yet even in her darkest valley, Mary was sustained from afar, prayed over by a grandmother who clung to the belief that God had special plans for Mary.

Now a divine power has set Mary free to bring life-changing hope and love to battered women living in the shadow of the nation's capital—women like Emma Johnson. A single mother fleeing an abusive relationship, Emma wonders whether there is hope for her and her young daughters. She is desperate, broken, and unloved . . . and tempted to commit the unthinkable. Then Mary introduces Emma to the greatest love of all, greater than any either of them has ever imagined.

With hallmark tenderness and power, Karen Kingsbury weaves a tapestry of life, loss, love, faith—and the miracle of resurrection.

### From reader reviews:

#### **Jessica Lantigua:**

The book Divine make one feel enjoy for your spare time. You may use to make your capable more increase. Book can being your best friend when you getting tension or having big problem together with your subject. If you can make reading a book Divine to be your habit, you can get far more advantages, like add your current capable, increase your knowledge about some or all subjects. It is possible to know everything if you like open up and read a reserve Divine. Kinds of book are several. It means that, science book or encyclopedia or others. So , how do you think about this book?

#### **Natalie White:**

In this period of time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will see that now, a lot of publisher this print many kinds of book. Typically the book that recommended for your requirements is Divine this publication consist a lot of the information of the condition of this world now. This book was represented just how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. Typically the writer made some analysis when he makes this book. That's why this book acceptable all of you.

#### **Dominic Maddock:**

This Divine is new way for you who has curiosity to look for some information since it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know otherwise you who still having little bit of digest in reading this Divine can be the light food in your case because the information inside this specific book is easy to get simply by anyone. These books develop itself in the form which can be reachable by anyone, that's why I mean in the e-book web form. People who think that in book form make them feel tired even dizzy this e-book is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book kind for your better life and also knowledge.

#### **James Sanchez:**

On this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become one among it? It is just simple strategy to have that. What you need to do is just spending your time not much but quite enough to enjoy a look at some books. One of many books in the top collection in your reading list is actually Divine. This book which can be qualified as The Hungry Mountains can get you closer in turning into precious person. By looking upward and review this book you can get many advantages.
