Responsible Grace: John Wesley's Practical Theology (Kingswood Series) Randy Maddox

Of special focus in this reflective overview of Wesley's theological convictions is highlighting the practical-theological dynamics of Wesley's work and suggesting possible implications for contemporary attempts to recover theology as a practical discipline. Another distinctive focus of this work is a systematic consideration of the integration of theological emphases traditionally divergent in Eastern and Western Christianity. The author also closely examines the consistency of Wesley's thought throughout his career.
