Scholars and would-be prophets have been searching the Scriptures for ages trying to determine when Jesus will return--most of them ignoring the plain words spoken by Gabriel in Daniel 9: "From the time the word goes out to return to and rebuild Jerusalem until Messiah, the ruler, comes, there will be seven 'sevens'...."

In his most concise and compelling work to date, T.W. Tramm proposes that Daniel's "sevens," a.k.a. the shemitah and jubilee cycles, are the key to understanding the Lord's timing.

Learn how:

- * The Jubilee foreshadows specific end-times events.
- * Jubilee "templates" established millennia ago are being fulfilled today.
- * The Jewish return to Jerusalem in 1967 started a prophetic clock ticking.
- * A host of signs are converging to reestablish the long-lost jubilee cycle and what this reveals about our proximity to the Lord's return.

Informative and thought provoking, whether you have never heard of the Jubilee or are already well-versed, "-2015- The Final Jubilee?" will have you more encouraged than ever that the time of redemption draws nigh.
