The Christmas Bell

Rolf Krenzer

The Christmas Bell Rolf Krenzer

When Rachel, the daughter of a widowed shepherd, comes across something curious in the dusty streets of Bethlehem—a beautiful bell made of pure silver—she wonders what she should do with it. No one can tell Rachel where the bell came from, but a wise woman in the village tells her that she should keep it until something wonderful happens. Then, she will know it is time to give it away.

Rachel finds out just how special the silver bell is on the eve of the very first Christmas. When the shepherds journey to the manger to give the Messiah a gift of a lamb, Rachel thinks she has nothing to offer the tiny baby. It is then that she remembers the beautiful bell.
