Why We Work (TED Books)

Barry Schwartz

Why We Work (TED Books) Barry Schwartz

An eye-opening, groundbreaking tour of the purpose of work in our lives, showing how work operates in our culture and how you can find your own path to happiness in the workplace.

Why do we work? The question seems so simple. But Professor Barry Schwartz proves that the answer is surprising, complex, and urgent.

We've long been taught that the reason we work is primarily for a paycheck. In fact, we've shaped much of the infrastructure of our society to accommodate this belief. Then why are so many people dissatisfied with their work, despite healthy compensation? And why do so many people find immense fulfillment and satisfaction through "menial" jobs? Schwartz explores why so many believe that the goal for working should be to earn money, how we arrived to believe that paying workers more leads to better work, and why this has made our society confused, unhappy, and has established a dangerously misguided system.

Through fascinating studies and compelling anecdotes, this book dispels this myth. Schwartz takes us through hospitals and hair salons, auto plants and boardrooms, showing workers in all walks of life, showcasing the trends and patterns that lead to happiness in the workplace. Ultimately, Schwartz proves that the root of what drives us to do good work can rarely be incentivized, and that the cause of bad work is often an attempt to do just that.

How did we get to this tangled place? How do we change the way we work? With great insight and wisdom, Schwartz shows us how to take our first steps toward understanding, and empowering us all to find great work.

From reader reviews:

Florence Adams:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that issue above. Every person has different personality and hobby for each and every other. Don't be pressured someone or something that they don't want do that. You must know how great and important the book Why We Work (TED Books). All type of book are you able to see on many resources. You can look for the internet sources or other social media.

Patricia Sax:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have do something to make these people survives, being in the middle of the crowded place and notice by surrounding. One thing that often many people have underestimated that for a while is reading. Yeah, by reading a publication your ability to survive improve then having chance to endure than other is high. In your case who want to start reading a new book, we give you this particular Why We Work (TED Books) book as nice and daily reading guide. Why, because this book is greater than just a book.

Jimmy Miller:

Spent a free time for you to be fun activity to perform! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book could be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try out look for book, may be the reserve untitled Why We Work (TED Books) can be great book to read. May be it could be best activity to you.

John Cheung:

This Why We Work (TED Books) is great guide for you because the content that is full of information for you who also always deal with world and get to make decision every minute. That book reveal it facts accurately using great manage word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having Why We Work (TED Books) in your hand like finding the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?
