Business and pleasure is a mix no gentleman should consider.

London Legal, Book 3

Lord Grayson Holloway goes after what he wants—be it in the law office on his clients' behalf or in the bedchamber. His new position as partner puts him closer to achieving his goal of becoming the most successful solicitor in London. There's just one problem—his new secretary. Broad of shoulder yet mild of manner, Edward tempts Gray like no other. Yet the young man barely notices him.

Edward Fenton tries to be a good secretary, but being in Lord Grayson's hard, commanding presence rouses Edward's most forbidden desires. Wicked, naughty desires no gentleman should consider giving in to, let alone with his new employer.

Gray is more than willing to mix business with pleasure. But convincing Edward to take a chance on a future with him? That might be the most challenging case Gray has ever taken on.

Warning: Includes buttoned-up gentlemen who become undone, improper use of a desk, spankings, and a big bad lord who has a soft spot for his virgin secretary.
