For a Little While

Rick Bass

For a Little While Rick Bass

"A literary titan...Bass is, hands down, a master of the short form, creating in a few pages a natural world of mythic proportions." -- *New York Times Book Review*

Long considered one of the most gifted practitioners of the short story, Rick Bass is unsurpassed in his ability to perceive and portray the enduring truths of the human heart. Now, at last, we have the definitive collection of stories, new and old, from the writer *Newsweek* has called "an American classic."

To read his fiction is to feel more alive -- connected, incandescently, to "the brief longshot of having been chosen for the human experience," as one of his characters puts it. These pages reveal men and women living with passion and tenderness at the outer limits of the senses, each attempting to triumph against fate. Bass provides searing insights into the complexity of family and romantic entanglements, and his lush and striking language draws us ineluctably into the lives of these engaging people and their vivid surroundings. The intricate stories collected in *For A Little While* -- brimming with magic and wonder, filled with hard-won empathy, marbled throughout with astonishing imagery -- have the power both to devastate and to uplift. Together they showcase an iconic American master at his peak.
