In Full Bloom from Wardell Publications stained glass introduces floral themed projects including the pattern line drawing, a color photo of the completed window plus an alternate color rendering to help visualize themes. Detailed instructions cover pattern enlargement, glass selection tips and framing advice. Author designer Sabine Selvais is a natural artist with an eye for nature and the 19 floral designs in this book illustrate just how keen her creative eye really is. Her panel designs are exquisite, often using only the simplest of lines to create beautiful floral designs of roses, lilies, iris, sunflowers, poinsettia and more.
