**Mel Bay Getting Into Gypsy Jazz Guitar (Mel Bay's Getting Into) (Mel Bay's Getting Into)** Stephane Wrembel

This book focuses on the key elements of the Django Reinhardt Gypsy jazz or jazz Manouche guitar style. The information revealed here was gleaned from years of experience jamming with French Gypsies and studying with masters of the style. A native of France, Stephane Wrembel acquired his skills entirely by ear and has taught scores of musicians worldwide using the method that appears here in text and notation for the first time. Written in English, German and French with all musical examples in standard notation and tablature, Wrembel conveys his knowledge in a logical step by step manner, exposing the reader to the authentic Manouche style as it continues to evolve in France and Holland. Medium to advanced in difficulty, this method is designed for the guitarist who is already familiar with jazz harmony and note locations on the fretboard.
