A single kiss can change everything...

In the first novel of the Sweetest Kisses series, Hannah Stark has set her sights on corporate law to assure her a career of paperwork, predictability, and conservative suits. Contracts, finance, and the art of the deal sing to her, while the mess and misery of the courtroom do not. But her daughter needs to eat, so when Hannah is offered a temporary position in a small town firm's domestic relations department, she reluctantly accepts.

Trent Knightley is mightily drawn to his newest associate, though Hannah is as protective of her privacy as she is competent. When their friendship and attraction heat up, Hannah's secrets put her heart and Trent's hopes in double jeopardy.
