**The Making of a Marchioness (Emily Fox-Seton, Complete)** Frances Hodgson Burnett

This carefully crafted ebook: “The Making of a Marchioness (Emily Fox-Seton, Complete)” is formatted for your eReader with a functional and detailed table of contents.

Frances Hodgson Burnett’s 1901 novel *The Making of a Marchioness* was originally published in two parts: the first tells the fairy tale-like story of how our heroine, Emily Fox-Seton, became the Marchioness of Walderhurst. The second, originally titled *The Methods of Lady Walderhurst*, is a down-to-earth portrayal of the realities of Victorian marriage, with a bit of a Victorian sensation vibe to it. The two parts work very well as a single novel, though there is a marked shift in tone when we move from the first to the second.

Frances Eliza Hodgson Burnett (1849 – 1924) was an English-American playwright and author. She is best known for her children's stories, in particular *Little Lord Fauntleroy*, *A Little Princess*, and *The Secret Garden*.
