The Bible is a big book - how do you find things in it? A concordance can be a really useful tool to help you but most just list words - so what happens if the word you are looking for doesn't come from the translation that the concordance is for? One answer to the problem is a Topical Bible Concordance. If you know the subject you want to study then a Topical Bible Concordance shows you where in the Bible that subject or theme is developed. Do you want to know what the Bible says about 'Homosexuality'? Look it up under 'H' and this book will then tell you where to go in the Bible. Sounds useful doesn't it? Before long you will find that The New Thematic Concordance is an indispensable tool. This Concordance is published in partnership with Preachers' Help, an organisation that working with an ever-increasing number of other Christian organisations concerned about the lack of Biblical resources for pastors and preachers in developing countries.
