The Nightlife San Antonio (The Nightlife Series): (Paranormal Romantic Suspense) Travis Luedke

“*True Blood* meets *Sons of Anarchy* when darkness falls on San Antonio.”

Chock-full of vampires, mafia & mayhem, this wicked blend of dark romance and paranormal fantasy from New York Times and USA Today bestseller Travis Luedke is an indulgent sinful pleasure.

The Nightlife is violent, sexy, and occasionally violently sexy, and San Antonio starts with *blood on the floor*.

EMT on call, Adrian Faulkner resuscitates a beautiful woman after a Mexican mafia shootout. He can't explain why he picks her up in the hospital parking lot three days later and then ducks the San Antonio police – *and the Feds*.

She needed to hide. With no memory of even her name, she didn't know from who. She only knew she wasn't safe. Lucky to survive, all she wants is to escape the police.

Looking to hit it and quit it, all Adrian wants is to get laid. ***They both got more than they bargained for.***

The naked woman tangled in Adrian's sheets and his life is far more than a damsel in distress, and now he's stuck with her. *All hell breaks loose as the past she can't remember catches up with them both...*

Fans of urban fantasy and paranormal suspense will love this non-stop thrill ride through the shadowy border world of mafia politics, vampires and hot sex.
