## **Wizard's Brew (Camelot Wizards Book 1)** Chris I. Naylor

An inexperienced wizard summons a strange hollow rock from the sea. Out of the rock comes something large, nasty and very hungry, and soon it's heading for Camelot. And there may be more of them...

Normally Merlin would step in at this point and save Camelot: but Merlin has mysteriously disappeared, leaving the fate of Camelot in the rather less powerful hands of Gwydden the Abstruse, a wizard whose main talent is making dragons that explode unexpectedly, and Gwydden's sidekick Hergrim, a dwarf with a large axe, a large red beard, and a short temper.

Will Gwydden and Hergrim be able to save Camelot and its inhabitants, or will it (and they) be devoured by an ancient race of evil shape-shifters?

(Warning: this book contains rabbits.)
