*** This book contains explicit sex and graphic language. It is not recommended for anyone under the age of 18.*** Dade Rodrigue is the levelheaded, bass guitarist for Bayou Stix, the hottest rock band in the country. He's the oldest member which often places him in the role of protector and mentor. Women love a rock star and Dade is no exception. When events in his own life become overwhelming, he takes a much needed retreat for some quiet and down time away from his "Dade the rocker" existence. Melonie Bird is a well-respected OB/GYN with a successful practice. She's beautiful, smart, and career focused. She likes things neat and orderly and her life is no exception. When her perfect life derails, she takes off on an island adventure to refresh and recharge. An exotic location, a chance encounter, and two beautiful people -who aren't quite who they seem- will have both of their worlds spinning. What happens when the unexpected changes your life? When the things you never thought you wanted turn out to be exactly what you need, what do you do? What happens when the one you can't forget isn't exactly who you thought they were? Can a spark of lust ignite the fire of love?
