Black Diamond

Havana Adams

Black Diamond Havana Adams

Two sisters.

The PRETTY one.

And the OTHER one...

Abandoned at birth, identical twin baby girls lie side by side in an orphanage cot.

Until the arrival of Hollywood film star Scarlet Wilde, desperate to adopt a baby.

Chubby beautiful Lola is the chosen one.

Sickly, weak Grace is left all alone.

One pastor's daughter

Rescued from the orphanage by a violent pastor, the sense of abandonment haunts Grace still. She knows there's not one person in the world she can ever rely on.

One Hollywood wild-child

From her tangled and publicly played out love life, to her first arrest, Lola Wilde has lived in the spotlight as long as she can remember. And the paparazzi know, and care, more about her than her washed-up starlet of a mother...

Two strangers, both unwanted and unloved.

Two worlds are about to collide.

Two sisters about to discover dark secrets and unlock their destiny.

From reader reviews:

Tameika Ahmed:

What do you with regards to book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need this Black Diamond to read.

Alma Lewis:

Reading a publication can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new details. When you read a book you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, studying a book will make you actually more imaginative. When you studying a book especially fictional works book the author will bring that you imagine the story how the personas do it anything. Third, it is possible to share your knowledge to others. When you read this Black Diamond, you could tells your family, friends and also soon about yours guide. Your knowledge can inspire average, make them reading a e-book.

Bruce Jackson:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Black Diamond can be the response, oh how comes? The new book you know. You are so out of date, spending your time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

James Fitzpatrick:

What is your hobby? Have you heard which question when you got scholars? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person similar to reading or as studying become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to include you knowledge, except your teacher or lecturer. You find good news or update about something by book. Numerous books that can you choose to use be your object. One of them is this Black Diamond.
