## **Help Wanted at Mount Vernon** Holly Young, Cathy Morgan

A spitting lizard and fainting goat find themselves at Mount Vernon looking for work. As they move from job to job at the mansion and on the grounds, they learn all the ways that George Washington used creative problem-solving to run a successful plantation in 1790 Virginia. This book combines history and mathematics with adorable characters in order to teach students about the many talents of our first President of the United States.
