When the original edition of HOW TO CONTACT SPACE PEOPLE appeared in 1969 courtesy of Gray Barker's Saucerian Press, hundreds reported "miracles" and supernatural experiences upon carrying or wearing one of the special "Space Intelligence" discs that were provided by Ted Owens . We are producing a similar disc based on the identical design and will include details how you can get one for yourself FREE OF CHARGE as a bonus when ordering this fabulous volume. Says one researcher who calls himself simply "Jinn" and believes the UFOs are extra dimensional: "Many people who investigated Ted Owens testified that he could predict and control lightning, hurricanes, tornadoes, earthquakes and volcanoes. He claimed he was in telepathic contact with other dimensional beings he called Space Intelligences who trained him since early childhood to communicate with them and co-create tremendous large scale psychokinetic effects. . . Ted Owens could be the greatest parapsychological finds in history. He performed about 200 "miracles" in association with the SI's. . . and considered himself to be the "Earth ambassador of UFO intelligences" and compared himself to Moses, whom he said also worked with the SI's." Some people thought Owens delusional; others believed something dramatic had happened in his life to cause these telekinetic events to occur around him regularly. Decide for yourself when you order HOW TO CONTACT THE SPACE PEOPLE and learn how at no additional cost you can receive your own energized purple SI disc, an authentic replica of the one Ted Owens claims he used to contact the space intelligence himself without interference.
