Interpreting Game of Thrones

Gene Gallegos

Interpreting Game of Thrones Gene Gallegos

Different from anything yet published on Game of Thrones, Interpreting Game of Thrones mobilizes fields as diverse as philosophy, literary theory, and psychoanalysis in order to understand this wildly popular franchise.

Moving beyond plot summary or superficial character analysis, Gallegos, himself a literary scholar, conducts 9 careful readings of the TV show and books, all of them written in an accessible style.

The reader will never experience Game of Thrones the same way again.
