Return to Fort Apache: Memoir of an NYPD Captain

Tom Walker

Return to Fort Apache: Memoir of an NYPD Captain Tom Walker

More than thirty years ago, Tom Walker published *Fort Apache: New York's Most Violent Precinct*, introducing the world to the 4-1, a South Bronx precinct that was home to more murders than the entire city of San Francisco. To this day, his story about life as police lieutenant in the 4-1 precinct remains the definitive account of the vicious cycle of violence that griped urban America in the late twentieth century. The battle between criminals and law enforcement did not end in 1971, but massive controversy over the book's publication precluded the release of a sequel—until now. With *Return to Fort Apache: Memoir of an NYPD Captain*, Walker finally tells the rest of his fascinating life story.

Return to Fort Apache was written to counter the prevailing politically correct opinion that the officers in Fort Apache used their weapons first and their wits last. In addition, Walker hopes to memorialize the courageous officers he served with in the 4-1, to remember forever their sacrifices, their courage, and their daily brushes with death and violence.

Adam Perlman:

Playing with family within a park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Return to Fort Apache: Memoir of an NYPD Captain, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh seriously its mind hangout folks. What? Still don't buy it, oh come on its named reading friends.

Titus Johnson:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Return to Fort Apache: Memoir of an NYPD Captain can make you sense more interested to read.
