Wisdom of Gandhi The Wisdom Series

When the Indian people, inspired by the words of Mahatma Gandhi, overthrew British rule, they proved that great political change could exist without violence. Revered both as a saint and a master politician in his native country, Gandhi proffered a philosophy that combined Thoreau's doctrine of civil disobedience with many Hindu beliefs.

A comprehensive introduction to this influential modern thinker, *The Wisdom of Gandhi* recounts his deeply held views on a variety of topics, including passive resistance, self-discipline, democracy, and even well-being. This is essential text for the history and political listener, as well as anyone looking for words to inspire change.
