California Corporations Code contains the full text of the California Corporations Code, as well as regulations governing capital access companies, nonprofit corporations, nonprofit mutual benefit corporations, and professional corporations. This volume examines the similarities and differences among: The Uniform Partnership Act; The Uniform Limited Partnership Act (1916); The California Revised Limited Partnership Act. This text outlines the Corporate Securities Law of 1968, and explores security owners protection and franchise investment law. It also includes selected provisions from CCR Title 10 (Releases) and precedential decisions of the Commissioner of Corporations.
