Just a Bit Confusing (Straight Guys Book 5) Alessandra Hazard

Best friends, inseparable since childhood, one in love with the other, the other straight and in love with a woman.

Stories like this don't have a happy ending; James Grayson knows it. He puts on a smile, he laughs, he jokes, and he pretends he's fine when Ryan kisses his girlfriend in front of him--until he can't.

Except nothing is easy and letting go turns out to be much harder than one might think. Some bonds are too strong to be broken, even for a straight man. And sometimes love and desire can have different faces and layers.

A story of two men trying to function without each other and failing.

Publisher's note: this novel contains explicit M/M content, rough sex, drunk sex, and graphic language. Book #5 in the *Straight Guys* series. Although it can be read as a stand alone, it is preferable to have read *Just a Bit Wrong*, Zach Hardaway and Tristan DuVal's story.
