Management

Alberto Silva

Management Alberto Silva

This book presents managerial concepts and theory in a clear and concise way. It provides a quick and easy guide to students in MBA programs or similar, serving as a companion to the management textbooks used in those programs. Besides serving as a support for graduate studies, this book can also be useful as a reference manual for practicing managers who wish to gain an overview of the concepts and theories related to their activities.

Earth Edition: A portion from the sales of this title is donated to our planet.

From reader reviews:

Lorraine Edler:

The book Management can give more knowledge and information about everything you want. Why must we leave a very important thing like a book Management? Several of you have a different opinion about reserve. But one aim which book can give many facts for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or facts that you take for that, you may give for each other; you are able to share all of these. Book Management has simple shape however you know: it has great and large function for you. You can appearance the enormous world by start and read a guide. So it is very wonderful.

Leigh Harris:

In this 21st millennium, people become competitive in every single way. By being competitive at this point, people have do something to make these people survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yep, by reading a e-book your ability to survive enhance then having chance to endure than other is high. For yourself who want to start reading any book, we give you this kind of Management book as nice and daily reading e-book. Why, because this book is greater than just a book.

Antonio Ritchie:

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV all day every day. You can have new activity to enjoy your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, having everywhere you want in your Mobile phone. Like Management which is getting the e-book version. So , why not try out this book? Let's find.

Palmer Schwartz:

Publication is one of source of understanding. We can add our information from it. Not only for students but also native or citizen need book to know the update information of year for you to year. As we know those books have many advantages. Beside we all add our knowledge, could also bring us to around the world. By book Management we can take more advantage. Don't you to be creative people? For being creative person must love to read a book. Merely choose the best book that acceptable with your aim. Don't always be doubt to change your life by this book Management. You can more inviting than now.
