"How does that feel, Tina? I bet you've never had anyone do this to you before, have you?"

Tina is a college senior by day and a party-hopping call girl by night. Just when she thinks she's experienced everything sex has to offer, Tina receives a job offer for something she's never done before. Her client sells a luxury line of sexy toys and wants her to demonstrate them for a bevy of new investors. She wants more than just a demonstration, though—she wants Tina to do anything and *everything* to sell the products to the investors, even if it means offering up her body to them.

She's selling more than just toys tonight—Tina will be tied down and at the mercy of every man in the room, taken like she's never been taken before, and she can't wait!
