What To Do About Your Brain-injured Child Glenn Doman

Glenn Doman—pioneer in the treatment of the brain-injured children and founder of The Institutes for the Achievement of Human Potential—brings hope to thousands of children who have been sentenced to a life of institutional confinement.

In *What To Do About Your Brain-Injured Child*, Doman recounts the story of The Institutes' tireless effort to refine treatment of the brain injured. He shares the staff's

lifesaving techniques and the tools used to measure—and ultimately improve—visual, auditory, tactile, mobile, and manual development. Doman explains the unique methods of treatment, and then describes the program with which parents can work with their own children at home in a familiar and loving environment. Included throughout are case histories, drawings, and helpful charts and diagrams.
