## All Five Books from the Bestselling Quarantined and Survival Series!

The walls went up in Portland. Alissa and Jordan raced to escape both the quarantine and the infection, but when it devoured the world there was nowhere left to run. Questioning their every choice, every thought, even their own sanity, they struggle to survive in the new world. A world that wants them dead.

Nine years later Joss and Ryan live with the aftermath. With the undead and the gangs, the violence and the fear. But the worst is yet to come. An old threat has been building and now a war is brewing, one that will change everything they know.

One that will bring the walls crashing down.
