A Fine Romance: Falling in Love With the English Countryside Susan Branch

A Fine Romance, Falling in Love with the English Countryside, part love story, part travel guide, is a hand-written and watercolored personal travel journal of Susan's six-day transatlantic crossing on board the *Queen Mary 2* and two-month ramble through the backroads of rural England.

There are over three hundred photos, countless illustrations, wonderful quotes, recipes, a book list, a movie list, watercolored maps and so much more. Travel with Susan as she makes her way through wildflower hedgerows to visit the homes and gardens of her literary and artistic heroes including Beatrix Potter and Jane Austen. It's a travel guide that will help you with your own trip, lovely for the armchair traveler because Susan really does take you there, and it's perfect for all Downton Abbey anglophiles. When you are finished, go to Susan's website where there is an interactive Appendix to the book you can experience driving across the Dales with Susan's own videos and find links to everything she writes about, the cottages and gardens you want to see yourself.
