**Amharic Visual Dictionary** Jean-Claude Corbeil

AMHARIC LANGUAGE/ SCIENCE & MODERN TECHNOLOGY This Book, the "Amharic Visual Dictionary," is an ideal companion and compliment to the various dictionaries that are of a more religious, spiritual and biblical nature. And, as His Majesty, HAILE SELASSIE FIRST, who singularly encouraged, supported and established by practice the motto of "Education is the Key," for His countrymen, at home and abroad, in giving worthy advice to a thousand generations also said, "seek the secular knowledge, for the more one knows the more he realises the need for a prime mover, the need for a Creator, a Creator who is good, and the need for salvation and also for peaceful life upon earth." Thus present volume, entitled "Amharic Visual Dictionary," and reprinted by This Fraternity of His Majesty, is yet another invaluable key, stepping stone and building block towards developing a linguistic and Ethiopic-based unified matrix. Binding: Perfect-bound Paperback Pages: 610 Language: English & Ethiopic Transliteration Product Dimensions (inches): 5.5 wide × 8.5 tall

#### **Jose Chapman:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Amharic Visual Dictionary can make you really feel more interested to read.
