## **Banksy in New York** Ray Mock

Photographer Ray Mock takes you along on his exciting hunt for new Banksy work during the famous Better Out Than In project in his new book *Banksy in New York*. This personal narrative offers a day-by-day account of Banksy's first New York residency, chronicling works that include *Sirens of the Lambs* and the Central Park stand at which original works by Banksy were sold for only \$60. Mock's work captures not only Banksy's artwork but the reactions of the public and media frenzies that often accompanied it, giving fans a direct window into the frenetic scavenger hunt that took over New York City in October 2013. *Banksy in New York* offers a closer look at Banksy's witty and irreverent art and the varied responses it received, while lending insight into the artist's sharp social commentary. This book is a must-have for those new to the scene and Banksy fanatics alike.
