Out of the Cold

J.J. Hamilton

Out of the Cold J.J. Hamilton

Plagued by guilt over her own desires, one young woman is forced to face who she is and how she feels when she finds herself undeniably attracted to another woman. J.J. Hamilton presents a moving, passionate romance of two strangers who find they have something in common – each other. *Out of the Cold* will be a welcome addition to your contemporary romance library.

Leah is a runaway, alone in the world by her own choice. Ashamed of her own desires and afraid of what they mean, she tries to force herself to change. Brilliant yet naive, sweet yet shy, resilient yet timid, she sinks deeper and deeper into misery.

Until she meets Mel.

Mel is everything Leah is not: experienced, bold, successful, and, above all, comfortable. Drawn to Leah's kind nature and sad story, Mel tries desperately to help Leah make peace with herself, overcome her fear, and come out of the cold.

From reader reviews:

Jennifer Perez:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each publication has different aim as well as goal; it means that reserve has different type. Some people feel enjoy to spend their the perfect time to read a book. They are reading whatever they get because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, man feel need book after they found difficult problem or maybe exercise. Well, probably you will require this Out of the Cold.

David Beall:

The ability that you get from Out of the Cold is a more deep you digging the information that hide inside words the more you get considering reading it. It does not mean that this book is hard to know but Out of the Cold giving you thrill feeling of reading. The article writer conveys their point in selected way that can be understood by anyone who read it because the author of this reserve is well-known enough. This specific book also makes your current vocabulary increase well. Therefore it is easy to understand then can go along with you, both in printed or e-book style are available. We highly recommend you for having this Out of the Cold instantly.

Dolores Young:

Many people spending their time by playing outside together with friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like Out of the Cold which is keeping the e-book version. So , why not try out this book? Let's notice.

Joshua Atkins:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book and also novel and Out of the Cold or perhaps others sources were given information for you. After you know how the good a book, you feel wish to read more and more. Science guide was created for teacher or students especially. Those books are helping them to put their knowledge. In some other case, beside science guide, any other book likes Out of the Cold to make your spare time considerably more colorful. Many types of book like this.
