Talking Heads Alan Bennett

This is the first collection of six individual portraits from the master of the monologue.

Performed by the author and five of Britain's leading actresses, Alan Bennett's tales are full of quirky, insightful detail that bring the characters vividly to life.

From Julie Walters' portrayal of an actress seeking fame to Anna Massey's alcoholic vicar's wife, these individuals are linked by their self-delusion, desperation, and vulnerability.

In these compelling pieces, Bennett displays the wry observation, knowing irony, and tender understatement that have ensured his rightful place at the forefront of contemporary writing.

This collection includes *A Chip in the Sugar* with Alan Bennett; *A Lady of Letters* with Patricia Routledge; *Bed Among the Lentils* with Anna Massey; *Soldiering On* with Stephanie Cole; *Her Big Chance* with Julie Walters; and *A Cream Cracker Under the Settee* with Thora Hird.
